Quick Quotes

Q. Looked like your arm, the elbow, can you talk about what maybe was holding you back at the beginning of the round?

BROOKS KOEPKA: Yeah, I don't know what it is. I'm struggling to grip the club with my ring finger and pinkie finger, so can't grip it. So the club is kind of just, my fingers would come loose, it was kind of numb. I don't know what the deal was but hopefully we'll figure it out.

Q. Did that impact you the first few holes, because you seemed to be losing it a little bit right off the tee?

BROOKS KOEPKA: Yeah, the whole warm-up, I felt fine, I was absolutely good. Then got to the range and went to grip the club and I just couldn't even grip it. So it lasted -- it was all day. Felt better the last few holes. I don't know if that's just the meds kicked in or what it is. But hopefully we'll figure it out now.

Q. Did you get treatment on the course at all?

BROOKS KOEPKA: Yeah, on 11 tee.

Q. That was it? And you never dealt with this before?

BROOKS KOEPKA: Not this. I don't know what it is.
