Quick Quotes

Q. What happened on 17? Obviously you were having a great round up to that point.

JESPER SVENSSON: I mean, it's golf. Got a really bad lie in the bunker there. The lie was all right, but the gust was straight into and that 8-iron went about 50 yards. And then I hit a decent wedge, didn't want to -- I wanted to put it on the green and 2-putt and hopefully make it. Yeah, I hit two good putts, just misjudged the first one, and felt like the second one -- I read it right-to-left and it hopped out right, so -- I mean it's golf, stuff happens.
