Quick Quotes

Q. All right, here with Sei Young Kim after her third round at the CPKC Women's Open. Just kind of walk us through your day a little bit today, especially those first 11 holes. Six birdies in that stretch. What do you think you really found out there on the golf course early on?

SEI YOUNG KIM: I mean, a little less mosquitoes out there, so it's kind of help. And then, yeah, I mean, I'm always happy to be in the play the Canada, so, yeah, it's a good vibe when I starting the moving day today.

And I try to make the lot of birdie as I can do. I try to move up. Yeah, I mean, my shot and everything is very solid in last two days, so, yeah, I'm very exciting for the good score today.

Q. Got around the golf course bogey-free as well. Hasn't been many of those this week. Can you talk about just how hard it is to get around this golf course without any bogeys, especially with the rough?

SEI YOUNG KIM: This course is kind of major golf course. Good shape and the fairways are really hard but the greens are soft, but speed-wise really fast, which is -- and if you miss the wrong side the rough is -- you can chance to the layup.

So it's not easy, but I like that course because it makes sense. If you play good, you hit it good, you can advantage, you can get the advantage. If you play bad, yeah, you can easy bogey, so like that.

Q. Very nice round today.

SEI YOUNG KIM: Thank you.

Q. I'm curious about leaderboard watching. Did you know that Miyu was so far ahead and you thought, okay, let's go and try to make as many birdies as possible? What was the game plan?

SEI YOUNG KIM: I didn't watch the leaderboard but I try to

make the more birdie. But last couple holes I had good chance, but I think I'm too much push myself, that's why lip out couple holes.

Yeah, I just want to relax tomorrow, even whatever happens. Yeah, I watch the scoreboard last hole that Miyu is play so good, so, yeah.

But I do my best tomorrow.

Q. Did you feel-- did you go out and play aggressive today? Did you feel like you did that or no?

SEI YOUNG KIM: Yeah, if I have a chance I try to aggressive. If not, yeah, I try to just stay short. Yeah, not too much. Yeah, that's smart play.
